## Work Experience

### Art Specialist / Tech Specialist

Chops Teen Club - A non-profit program for young adults  
Santa Rosa, CA  
September 2016 - Present

Teach and mentor young adults through various illustrative techniques and methods to help them further their artistic goals. Provide the fundamentals of conceptual design, including character design, scene setting, and storyboarding. Help to guide members through different career paths and opportunities in the arts.

### Freelance Designer

San Francisco Bay Area, CA  
November 2013 - Present

Assisted the client to manage ideas/thoughts and developed those ideas into a presentable visual state. Developed character designs and concepts which led to a television show pilot.

### Lead Sales / Framer

Aaron Brothers Art and Framing  
Santa Rosa, CA  
July 2012 - August 2015

Providing custom framing consultation and sales service to retail customers. Managed night shift duties as acting manager on duty, including closing store and register close-out accountability.
